

# Supported Education Genesis Club

## International Standard for Clubhouse Programs Education

*#25 The clubhouse assists members to further their vocational and educational goals by helping them take advantage of adult education opportunities in the community, when the clubhouse also provides an in-house educational program, it significantly utilizes the teaching and tutoring skills of members.*

### **What Genesis is doing in-house:**

#### **I. Resource Center**

- A. Information and applications for local training and education programs in the community.
- B. Financial Aide information and applications
- C. Computer Access
  - 1. Computer access for information, applications and registration
  - 2. On-line computer courses

#### **II. Peer tutoring**

#### **III. Unit support from both staff and members**

#### **IV. The work of the clubhouse through work unit experience**

*How do we incorporate Supported Education into the work of the club...?*

- A. Outreach system:
  - 1. Developing a list of student and student schedules each semester.
  - 2. Pairing students with staff and members.
  - 3. Keeping in contact with students on a regular basis through phone calls, visits, mail, email and on campus visits
- B. Maintain statistical information for our grant source:
  - 1. Collect data
  - 2. Enter data on computer database.
- C. Resource Materials:
  - 1. Update resource information each semester/as needed
  - 2. Assist members in resource area
  - 3. Assist members with applications
